HOW TO NURTURE THE ENTREPRENEURIAL POTENTIAL OF WOMEN?

Knowledge exchange & synergies in the field of female entrepreneurship focusing on successful mentorship and counselling programmes

AGENDA OF THE 2ND MULTIPLIER EVENT

5th February 2020, Porto

This project has received funding from the European Union's Erasmus+ programme under the registration number 2018-1-HU01-KA203-047766. This document reflects only the author's view and the Commission is not responsible for any use that may be made of the information it contains.

About ifempower

ifempower aims to empower female students from higher education institutions to get engaged in entrepreneurship. **ifempower** investigates the main roles, hindrances, gaps and needs of female entrepreneurs to elaborate an internationally transferable module for university students from any fields to broaden their knowledge on entrepreneurship related topics and to provide hands-on training for their engagement in self-employment and entrepreneurship. The project represents an innovative and participatory approach by developing a mentorship programme for these students through the involvement of practicing entrepreneurs. **ifempower** will also launch personal consultancy services for any interested females and an online support toolkit available for the broader public coping with issues relating to female entrepreneurship.

The second multiplier event of **ifempower** aims to foster knowledge exchange in the field of mentoring and nurturing entrepreneurial spirit; and discover possible synergies between participants and represented projects, initiatives. Meanwhile, the event aims to introduce the achievements of **ifempower** and provide opportunity to guest experts presenting their work through different interactive sessions.
